

Dad's Favorite Pecan Pie

1 cup white corn syrup	3 whole eggs, beaten
1 cup dark brown sugar	A dash of vanilla
3 tbsp melted butter	Pinch of salt
1 heaping cup pecans	

Mix above ingredients well and pour into unbaked 8 or 9-inch pastry pie shell. Bake at 350 for 1 hour. Test after 45 minutes. Cool and top with whipped cream. Even served plain, nothing tops this! (No pun intended!)
